WHEREAS, on October 11, 2023, the Planning Commission conducted a duly noticed hearing to accept public comment and consider the draft Housing Element, and by unanimous vote adopted Resolution 23-06 and recommending the City Council adopt the 2023-2031 Housing Element; and

WHEREAS, on November 2 and 16, 2023, the City Council conducted a duly noticed hearing to accept public comment and consider the draft Housing Element. On November 16, 2023, the City Council authorized submittal of the 2023-2031 draft Housing Element to HCD; and

WHEREAS, following completion of the 10-business day period required by Government Code Sec. 65585(b)(1), the City's consultant Planwest Partners, Inc. transmitted the adopted 6th Cycle Housing Element to the California Department of Housing and Community Development (HCD) for review on December 5, 2023; and

WHEREAS, on March 4, 2024, HCD issued a letter with the Department's findings regarding the adopted Housing Element, which noted that the City's 6th Cycle Housing Element addresses most of the requirements of state housing element law but that amendments are needed for HCD to consider the Housing Element for certification; and

WHEREAS, the City considered HCD's findings and recommended amendments, and has incorporated draft revisions into the Housing Element to respond to HCD's comments and ensure the Housing Element will substantially comply with state housing element law once adopted; and

WHEREAS, on April 5, 2024, the City's consultant Planwest Partners, Inc. published the revised draft Housing Element update online at <https://www.siskiyou-housing.com/dunsmuir/>, and the City published the revised on its website at <https://www.ci.dunsmuir.ca.us/planning-department/>, and both website postings invited public comment; and

WHEREAS, on April 10, 2024, the Planning Commission of the City of Dunsmuir held a duly noticed public hearing as prescribed by law to consider the draft 2023-2031 Housing Element Update; and

WHEREAS, after consideration of the staff report, all public testimony, and evidence presented at the public hearing, by unanimous vote the Planning Commission found the draft 2023-2031 Housing Element Update to be exempt from the CEQA pursuant to Section 15061(b)(3) of the CEQA Guidelines, and adopted Resolution PC-2024-05, A Resolution of the Planning Commission of the City of Dunsmuir Recommending the City Council Adopt the 2023-2031 Housing Element Update; and

WHEREAS, on April 18, 2024, the City Council conducted a duly noticed public hearing to accept public comment and consider the revised draft Housing Element update; and

WHEREAS, the City Council determined the revised draft Housing Element updated housing policies and programs consistent with state law; and

WHEREAS, the City Council further determined the revised draft Housing Element does not have the potential to cause a significant impact to the environment and is exempt from the CEQA pursuant to CEQA Guidelines Sec. 15061(b)(3), because it will not entitle, propose, or otherwise require the construction of new development or rehabilitation of existing development, nor will it result in: any direct or indirect physical changes to the environment; any changes to the General Plan Land Use Map; modifications to General Plan land use designations, densities, or intensities, nor any changes to intensities or densities beyond those permitted by the General Plan, Zoning Code, and/or state law; and

WHEREAS, the City Council has found that the revised draft Housing Element, and the programs and housing action plan contained therein, take meaningful actions to combat discrimination, overcome patterns of segregation, and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics consistent with the City's obligation to affirmatively further fair housing pursuant to Government Code Sec. 8899.50; and

WHEREAS, the City Council has found that the revised draft Housing Element is in the public interest because it provides the City with a mechanism to further social, economic, housing and other goals that have been adopted by the City Council and the State Legislature. The revised draft Housing Element will help the City achieve the following housing goals:

1. Provide adequate sites.
2. Ensure the availability of a variety of housing types and increase the affordability of housing.
3. Conserve, rehabilitate, and enhance the condition of the existing housing stock and residential neighborhoods.
4. Facilitate the provision of housing suited to persons with special needs.
5. Encourage and support the development of affordable housing.
6. Encourage sustainable housing development and energy conservation.
7. Promote equal and fair housing opportunities for all people.

WHEREAS, the City Council has found that the revised draft Housing Element is consistent with a comprehensive view of the Dunsmuir General Plan, and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Dunsmuir:

1. Hold a public hearing in the manner prescribed by law; and
2. Determine that the revised draft Housing Element is exempt from the CEQA pursuant to Sec. 15061(b)(3) of the CEQA Guidelines because it can be seen with certainty that it will not have a significant effect on the environment; and
3. As required by Government Code Sec. 65585(e), consider the findings made by HCD in the Department's letter to the City dated March 4, 2024, and find that the 6th Cycle Housing Element was amended to respond to HCD's findings, as set forth in Attachment C to the staff report for the City Council meeting of April 18, 2024, and to substantially comply with the requirements of state housing element law as interpreted by HCD; and

4. Adopt the revised draft Housing Element; and
5. In accordance with Government Code Sec. 65585(b)(1), direct the City Clerk or their designee to publish the Housing Element on the City's website and email a link to all individuals and organizations that have previously requested notices regarding the Housing Element at least seven (7) days prior to the Housing Element being resubmitted to HCD; and
6. Authorize city staff and the City's consultant Planwest Partners, Inc. to transmit the adopted Housing Element to HCD for review upon completion of the seven-day period prescribed by Government Code Section 65585(b)(1).

BE IT FURTHER RESOLVED that minor changes to the revised draft Housing Element that do not substantially change the goals, policies, programs, or objectives, that are reasonably based on credible information that is readily accessible to the public, to make the Housing Element internally consistent or to address any non-substantive changes or amendments suggested or requested by HCD, and that are published in accordance with Government Code Section 65585(b)(1) shall not be considered to be substantial changes requiring further review by the City Council. However, should HCD require substantial modifications to the revised draft or adopted Housing Element not previously considered by the City Council, city staff shall bring such modifications back to the City Council for its review, consideration, and recommendation pursuant to Government Code Section 65356.
